

Email Alerts:

FYCCU provides you with the very latest financial technology to facilitate your banking requirements. Electronic banking applications are secure for the most part and in 2011 your Credit Union enabled further protection by implementing the Chip Card technology . We are now offering our members a unique service of email alerts on account transactions as further protection **at no cost** to you.

How Does It Work:

Call us at 416-530-6474 to be connected to this free email service. Provide us with your email address and protect yourself against unauthorized use of your account, and keep track of all your transactions.
